Life Groups

The ultimate goal of a Life Group is to grow as Jesus' followers together in authentic community.

Life Groups are the relational "hub" at Safe Harbor in which we are encouraged, supported, and challenged to grow in grace as we walk with the Lord together. The journey of following Christ cannot be undertaken alone—we need each other!

These are groups in which believers gather in smaller, informal, and more intimate settings to "do life" together. Groups are typically composed of several key elements: worship, study, prayer, service--and last but not least--food, fun, and fellowship!

If you've been attending Safe Harbor, but still feel disconnected to the community or stagnant in your walk with the Lord, our hope and prayer is that you would consider joining a Life Group!

Please take a look at our current groups for more details on meeting times, locations, contact info, and so on. For any additional information or help selecting a group, please contact Pastor Tony at the church (phone: 410.604.1700; email: tony@safeharborpca.org).
